

Safari Club International Southwest Ohio Chapter

September 2020

Dear Youth Hunter,

Safari Club International Southwest Ohio Chapter is teaming up with Butler County Pheasants Forever to host a youth pheasant hunt on November 14 & 15, 2020. As in the past, this hunt will take place at Mulberry Pheasantry near Gratis, Ohio. Enclosed you will find a registrations form. Please note this hunt is limited to 75 youth per day, ages 10-17 years old, on a first come first serve basis. The registration deadline is November 11, 2020. Additional registrations forms can be obtained on our website www.southwestohiosci.org

We hope you will be able to attend this year's youth hunt! If you have any questions please reach out to Mulberry Pheasantry at (937) 787-3912 / (937) 533-0081, Tom Thomas at (937) 657-1337, or email john@southwestohiosci.org

Sincerely,

John Stohlman and Tom Thomas
Youth Hunt Co-Chairman, SCI Southwest Ohio Chapter

Frequently Asked Questions

Q: Do I have to be a member of Safari Club International or Pheasants Forever to hunt? A: No, you do not need to be a member to participate. The hunt is open to all youth ages 10-17.

Q: Is pre-registration required? A: Yes, the hunt is limited to 75 hunters per day. So, call Mulberry Pheasantry at (937) 787-3912 / (937) 533-0081 or mail in the enclosed registration form to Mulberry Pheasantry Hunting Preserve 6099 St. Rt. 725 Camden, OH 45311.

Q: What about Covid-19? A: The team has had several planning meetings for this event discussing Covid-19, all precautions necessary will be taken during the event. Please come prepared with your facemask for use when needed.

Q: I don't have a gun to use, do you have one I can borrow? A: Absolutely! We have 3-20 gauge shotguns to loan. Guns are available on a first come first serve basis and an adult must sign a waiver form before use.

Q: How can I best prepare for the youth hunt? A: The best way to prepare is to practice using your gun with an adult. Focus on gun safety, proper gun handling and operation, shouldering the gun and aiming. We will have a safety discussion before any hunters take the field but the prior practice is always a good idea. Safety First!
